Credit by Exam Available for Wharton ISD Students

STUDENTS GET 6 CHANCES DURING SUMMER TO “TEST OUT OF CLASSES”

The state’s education law, the Texas Administrative Code (TAC), will allow Wharton public school students to obtain credit in a course or grade level by passing tests approved by school district trustees. Texas law, 19 TAC Chapter 74, allows students to "test out of a course" by taking a "Credit by Examination" without prior instruction in the course(s) being tested. To earn credit for a grade or a subject the student must answer 80% of the questions correctly. In accordance with local school district policy, a student in any of Grades 6-12 may be given credit for an academic subject in which he or she had some prior instruction, if the student scores 70% on the test. The tests are rigorous, targeting all the objectives for the courses covered.

The tests will be administered in Victoria through Region 3 Education Service Center on June 19th, 20th, and 21st, 2019 and again on July 10th, 11th, and 12th, 2019 from 9:00 a.m. – 4:00 p.m. on each date. Registration applications may be picked up at Wharton ISD school district offices during the month of May. Deadline for registration is May 31, 2019 at NOON. There are no fees or costs to take the tests.
