According to Section 22.083 of the Texas Education Code, all Texas school districts may obtain from any law enforcement or criminal justice agency all criminal history record information that relates to a volunteer of the district, service center, or shared services arrangement. Conviction of a crime is not an automatic bar to observing in the public school. The district will consider the nature, date, and relationship of the offense as it relates to volunteers in school district classrooms.

The following broad definition of moral turpitude is given to assist you in responding to the inquiries:

Moral turpitude is an act of baseness, vileness, or depravity in the private and social duties which a person owes another member of society in general and which is contrary to the accepted rule of right and duty between persons including, but not limited to, acts such as theft, attempted theft, murder, rape, swindling, and indecency with a minor.

Have you ever been convicted of a felony or offense involving moral turpitude (including, but not limited to theft, rape, murder, swindling, and indecency with a minor) and/or received probation or deferred adjudication?

DPS Computerized Criminal History (CCH) Verification

(AGENCY COPY)

I, _____ have been notified that a Computerized Criminal
APPLICANT or EMPLOYEE NAME (Please Print)

History (CCH) verification check will be performed by accessing the Texas Department of Public Safety Secure Website and will be based on name and DOB identifiers I supply.

Because the name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history, the organization conducting the criminal record check for background screening is not allowed to discuss any criminal history record information obtained using the name and DOB method. Therefore, the agency may request that I have a fingerprint search performed to clear any misidentification based on the result of the name and DOB search.

For the fingerprinting process I will be required to submit a full and complete set of my fingerprints for analysis through the Texas Department of Public Safety AFIS (Automated Fingerprint Identification System). I have been made aware that in order to complete this process I must make an appointment with L1 Enrollment Services, submit a full and complete set of my fingerprints, request a copy be sent to the agency listed below, and pay a fee of \$24.95 to the fingerprinting services company, L1 Enrollment Services.

(This copy must remain on file by your agency. Required for future DPS Audits)
