Wharton Independent School District

2020-2021 WJH/WHS Dress Code

Dress and Personal Appearance:

Wharton JH/HS has a dress and grooming code that is established to teach grooming and hygiene, prevent disruptions, avoid safety hazards and teach respect for oneself and others. Students should be dressed and groomed in a manner that is clean and neat, that will not be a safety hazard to themselves or others, and that promotes a positive self-image and impression for both the student and those around him or her. Given that school is the student's environment where he/she will learn social skills and the proper way to interact with peers and persons of authority, they are expected to dress in a way appropriate to that environment.

The staff of the school is authorized to enforce the district's dress and grooming code. Final determination of acceptable dress and grooming standards rests with the Principal and or his/her designee and cannot be appealed.
