

Wharton ISD is Listening! Let's Talk!

We want Wharton ISD to be an inclusive, positive environment, where you know you make a difference and your voice is heard.

That's why we offer Let's Talk!, an innovative customer service solution that allows parents, students, employees, and community members to be a part of critical school and district discussions. With Let's Talk!, you can ask questions or submit comments whenever it's convenient — 24 hours a day, seven days a week.

If you have a question or have something to share about Wharton ISD, click the Let's Talk! pop-out tab on the left side of our website, whartonisd.net, and select the school, department or topic of your choice. You can also download the Let's Talk! app for iOS and Android devices, and enter our Let's Talk! ID (WI2632). We want to hear about whatever's on your mind!

Please leave your contact information and you'll receive a response within 1-2 business days.

Let's make Wharton ISD the best it can be — one conversation at a time!
