Greetings Tiger Faithful,

It's that time of year where we are gearing up to return to school for the 2020/21 school year. We are currently working diligently to devise a plan to maximize the learning opportunities for our TIGERS while keeping them safe in both face to face and virtual settings. In order to begin our new year processes as well as continue to maximize safety in social distancing, we have decided to forgo our traditional in-person registration for returning students(*brand new students must register at the campus in person*), and use our PEIMS system to roll over all returning students for this year. As long as your child is present in the learning model (face to face or remote) by the third (3rd) day of school, they will be pre-registered by the system. We ask that if you have any pertinent changes in the information, please contact the school to update information in the system.

Again, we are excited to move forward with the mission of educating our students and keeping all stakeholders safe. This community is resilient, "TOGETHER WE WILL" get through this, because " WE ARE WHARTON!"

Servant Leader,
SBP
