Wharton Junior High Plan: Face to Face

Arrival:

Faculty & Staff: Morning Plan

1. Single point entry will continue via the Life Skills entrance.
2. Daily temperature checks and recorded on arrival.
3. Face masks will be enforced for all faculty and staff.

Students: Morning staging for students arriving before 7:30 A.M

1. 7th Graders in the cafeteria.
2. 8th Graders in the Old gym.
3. New gym will be used for overflow.
4. All students are required to wear a mask.
5. Daily temperature checks upon entry at all campuses for students.

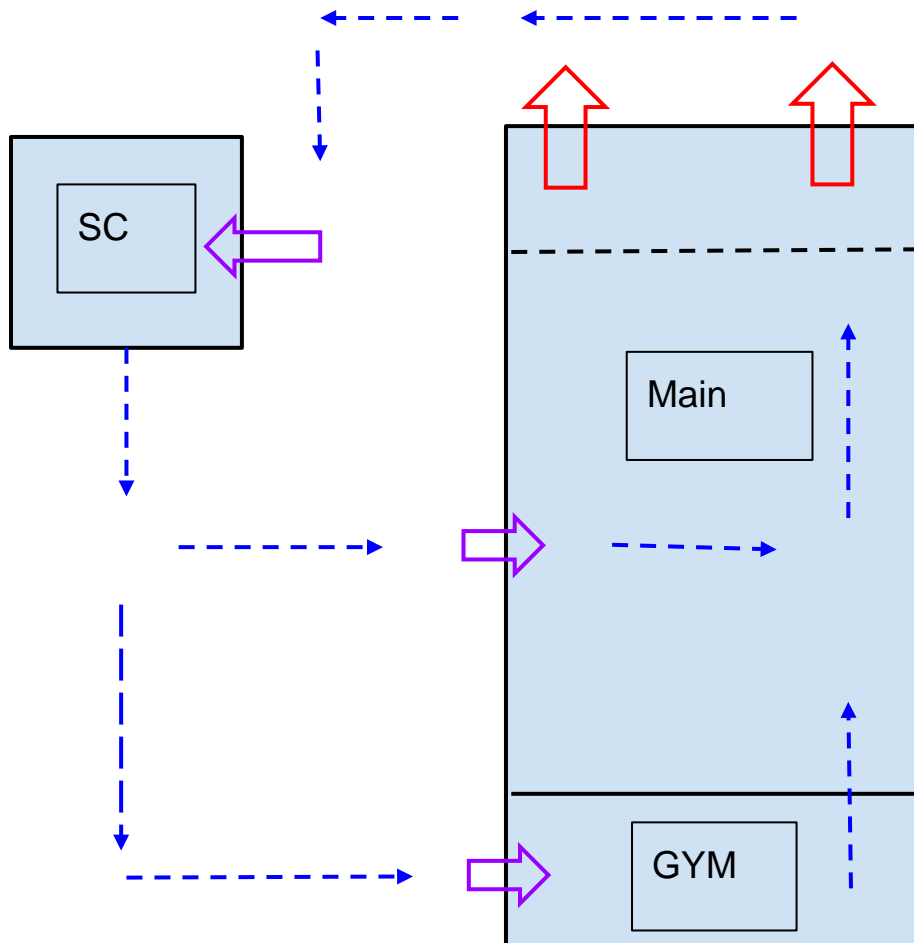

Transition:

We have created six zones for effective contra flow transition between class periods.

Three zones will be released simultaneously in order of (1, 2 & 3) and (4, 5, & 6).

1. One-way traffic pattern around the campus during exchange of classes.
 - 8th grade zone released in a single line via the back door, turn East and loop round into the Science building.
 - The Science building will be released class by class in a single line through the back door and enter the main building using the middle door turning left and travel South.
 - The basement zone released next into the hallway forming a line going travelling South.
 - The Library and the Special Education zone will be released through the double door, turn East and enter the Science building or enter the main building through the middle door, turn left and travel South.
 - 2nd floor students will be released following the down staircase into the double door, turn East and either go to the Science building or enter the main building using the middle door, turn left and travel South in a single line.
 - P.E students will be released last into the rotation.

Sanitation:

Staff will wipe down door handles, students' desks within the classrooms and common areas between each passing period with district issued sanitizers.

Restroom Breaks:

Students will be required to sign the restroom folder in each classroom when going to the restroom.

Wharton Junior High Breakfast and Lunch Plan:

Breakfast:

1. 7th Grade in the Cafeteria.
2. 8th Grade in the Old/New gym.
3. Outside benches will be used as overflow.

Lunch: Two lunches will be served in the cafeteria. The campus will not allow fast food lunch to be delivered to students during this period.

1. 7th Grade lunch using the old gym as the overflow.
2. 8th Grade lunch using the old gym as the overflow.

Dismissal:

Students will remain in their classes and wait for a gradual release starting with:

1. Car Riders - Exit the building via the main entrance to the parent pick up area.
2. Bus Riders:
The cafeteria will be the staging area when students are called for release using bus numbers. The next group will enter the cafeteria after the departure of the former group and the rotation continues until we are down to the last bus.

Communication:

- ❖ District will issue the face to face return to school plan on multiple mediums, prior to the first day of face to face instruction.
- ❖ ABM schedule for daily/weekend "deep" cleaning
