

# Wharton Independent School District

## Wharton Junior High Plan: Face to Face

### Arrival:

Faculty & Staff: Morning Plan

1. Single point entry E. Belle Avenue entrance for all staff. Staff will sign in log.
2. Daily temperature check and recorded on arrival for visitors entering the building. Teachers are encouraged to conduct their own self-checks at home daily.
3. Face masks will be encouraged for all faculty and staff, for safety purposes, but not required.

Students: Students permitted entrance into the new gym at 7:30 a.m. Students' point of entry will be through the WHS new gym doors.

1. 6th Graders sit in rows socially distanced on the right side of the gym.
2. 8th Graders will sit on the floor in the center of the gym socially distant in rows.
3. 7th Graders will sit in rows socially distanced on the left side of the gym.
4. Bleachers in WHS new gym will be used as overflow to provide for proper social distancing.
5. WJH students are encouraged to wear a mask for safety purposes.

### Transition:

We have created two zones for effective contra flow transition between class periods. Zone 1 being the WHS senior wing and Zone 2 being the Jr. High portables. Scholars are expected to not loiter in hallways and report to class within a 4 minute time-frame. Teachers will report to their doors encouraging scholars to walk with a purpose to get to the classrooms.

At the sound of bell:

- One way staggered traffic patterns around the campus during exchange of classes. Zone 1 released in a single line, walking with a purpose to the right of the hallway. No loitering in the hallways immediately reporting to class.
- Zone 2- Portables will be released with a one way traffic flow out towards the back of portables allowing for the incoming traffic to enter at the first point of entry and proceed to classes with little to no interaction with exiting traffic.
- Old gym/PE students will exit the gym and return to Zone 1 and walk to the right, socially distancing themselves to their classrooms or report out to Zone 2 classrooms in portables.

## Sanitation:

Staff will wipe down door handles, students' desks within the classrooms and common areas between each passing period with district issued sanitizers, when the virus counts are high and at an orange level.

## Restroom Breaks:

Students will be required to sign the restroom folder in each classroom when going to the restroom.

## Wharton Junior High Breakfast and Lunch Plan:

Breakfast:

1. 6th/7th/8th grade scholars will have a Grab-and-Go breakfast from the Kiosk in the WHS Gym and report to their designated area inside of the gym.

Lunch: Two lunches will be served in the cafeteria. The campus will not allow fast food lunch to be delivered to students during this period.

1. 6th Grade A-Lunch in the cafeteria. If weather permits a limited number of scholars may sit in the courtyard outside on benches.
2. 7th.8th Grade B-Lunch in the cafeteria. If weather permits a limited number of scholars may sit in the courtyard outside on benches.

## Dismissal:

Students will remain in their classes and wait for a gradual release starting with:

1. Car Riders/Walkers - Exit the building via the main entrance to the parent pick up area. Once car riders and walkers have exited the building and on their way we will immediately begin the Bus Riders: Scholars will remain in rooms until bus numbers have been called.

## Communication:

- ❖ District will issue the face to face return to school plan on multiple mediums, prior to the first day of face to face instruction.
- ❖ Campus custodial staff will continue regular cleaning rotations for sanitary purposes.
