Tiger Fans!

Tonight, we will travel to Dyer Stadium in Houston to open District 11-4a competition. We will face Booker T. Washington with kickoff set for 7:00 pm. We feel our non-district schedule prepares us to compete for a district championship and tonight is the first test. Last night, our sub-varsity team defeated Washington 24 - 0. They too, will be competing for a district title at the sub-varsity level. The weather is changing rapidly and it is starting to feel like football season. We appreciate the support and are excited about being back on the field.

This week has been full of tough competition throughout all our sports. Our coaches and players are continuing to work hard and press forward through their fall seasons. Our Lady Tiger volleyball team opened up the second round of District on Tuesday night against Sealy. We came up short, but these young ladies are continuing to fight for a spot in the post-season. Our Tennis team played a practice match on Thursday afternoon against Port Lavaca to gear up for their Bi-District match against Stafford on Tuesday. We are looking forward to a packed crowd and a good battle on those courts for these matches. Our WHS Cross Country team had a week without a meet to prepare for District on Monday. They have been putting in work very early in the morning, and we are hoping this group comes home with some hardware.

We hope everyone has a great weekend and take advantage of opportunities to come out and support our teams.

Go Tigers!

Chad Butler
Athletic Director/Head Football
