

2019-2020 WJH/WHS Dress Code

Dress and Personal Appearance:

Wharton JH/HS has a dress and grooming code that is established to teach grooming and hygiene, prevent disruptions, avoid safety hazards and teach respect for oneself and others. Students should be dressed and groomed in a manner that is clean and neat, that will not be a safety hazard to themselves or others, and that promotes a positive self-image and impression for both the student and those around him or her. Given that school is the student's environment where he/she will learn social skills and the proper way to interact with peers and persons of authority, they are expected to dress in a way appropriate to that environment.

The staff of the school is authorized to enforce the district's dress and grooming code. Final determination of acceptable dress and grooming standards rests with the **Principal and his/her designee and cannot be appealed.**

Field Trips/Extra-Curricular Activities:

When Wharton High School students are on field trips or are involved in extra-curricular activities, they are expected to act and dress in a manner that brings pride and honor to our school and community.

Therefore, sponsors may have a more restrictive dress code for these trips. Additionally, students may not have a less restrictive dress code unless permitted by the principal or his/her designee. Students who do not follow the prescribed dress code will not be allowed on the trip.

Enforcement of Dress Code

Our goal, as educators, is to have an enjoyable learning environment that is rigorous, relevant and prepares our students for college and the workforce. Our dress code is relaxed and comfortable; students who choose to not follow the dress code will be subjected to consequences.

The expectation is that all staff members will consistently and fairly enforce the dress code.

The key to an effective dress code is consistent and fair enforcement of that dress code for all students.

Again, our goal is to educate our students. During the first five minutes of class, teachers are to look for obvious dress code violations and write them up on the appropriate form. **If a student is wearing something that is considered lewd, obscene, hazardous or a detriment to the learning environment, an administrator should be contacted immediately to address the situation.** In these situations, the student will be placed in ISS for the remainder of the day and their parents will be contacted.

For other dress code violations, the following consequences will be enforced:

1. First offense, after school detention.
2. Second offense, two after school detentions (parent will be contacted).
3. Third offense, one day ISS (parent will be contacted).
4. Fourth offense, two days ISS (parent must attend a meeting with an administrator).
5. Fifth offense, three days ISS.
6. Sixth offense, twenty days DAEP; discussion with parent on attending AAA.
7. All reoccurring offenses, twenty days DAEP.
