

Wharton Independent School District

2021 – 2022 Dress and Grooming Guidelines

DRESS AND PERSONAL APPEARANCE

Wharton ISD has a dress and grooming code that is established to: teach grooming and hygiene, prevent disruptions, avoid safety hazards, and teach respect for oneself and others. Students should be dressed and groomed in a manner that is clean, neat, that will not be a safety hazard to themselves or others, and that promotes a positive self-image and impression for both the student and those around him or her. Given that school is the student's environment where he/she will learn social skills and the proper way to interact with peers and persons of authority, students are expected to dress in a way appropriate to that environment.

The staff of the school is authorized to enforce the district's dress and grooming guidelines. Final determination of acceptable dress and grooming standards rests with the **principal or his/her designee and cannot be appealed.**
